Subject: Letter of Guaranty – Lawson Uni-Solv Auto Body and Paint Preparation Solvent, 56160

Lawson Products, as the distributor of the above named product, guarantees this product meets regulatory guidelines in federally inspected food processing plants when used as directed below:

Category K1: Cleaning and/or degreasing solvents for use in non-food processing areas

This product is acceptable for use as a cleaner and degreaser for use in non-food processing areas (K1) which are used to remove oil, wax, resinous materials, or other substances not removable by using acidic or alkaline cleaning agents. Their use is limited to non-food processing areas where there is no possibility of solvent vapors entering a processing area. After using the product, equipment and utensils must be thoroughly washed with an acceptable detergent solution and rinsed with potable water to remove all traces of the cleaner before being returned to the processing area. The final granting of authorization for the proposed use of such compound is the responsibility of the Inspector-In-Charge of the official plant.

This is a letter of continuing guaranty which is valid until revoked. Lawson Products, Inc. will supply any necessary documentation to support this Letter of Guarantee should it be requested by a regulatory agency.

Please refer to the product label and Safety Data Sheet (SDS) for product usage, any dilution instructions and safety information. Should you have any questions or need additional information, please contact the Regulatory Affairs Department at the number listed below.

Sincerely,

Heather Buck,

Sr. Director, Technical Services and Product Information Management
