

PROBLEM SOLVER

PROBLEM:

Anti-slip coatings don't last long and can cause an unsafe environment.

- Most coatings peel too easily, especially when contacted with other chemicals.
- Not all surfaces work with certain coatings.

DRUMMOND®
A LAWSON PRODUCTS BRAND

SOLUTION:

Drummond® Gotta Grip Anti-Slip Epoxy Coating

- Ultra slip-resistant for a safer environment.
- Tough epoxy cures hard and lasts longer than most.
- Stands up to oils, gasoline, acids, and solvents.
- Convenient aerosol is perfect for any application.
- Can be applied to concrete, steel, wood, fiberglass, tile, aluminum, and more.
