DRUMMOND™
A LAWSON PRODUCTS BRAND

Free-Flow Ultra-Strength Urinal Drain Control

Free-Flow powers through tough uric acid salt buildup, mineral scale and rust deposits to restore full flow to urinals.

DL4450T06

Clean Buoy Floating Lift Station Degreaser

Dissolves grease, fats, oil and slime in lift stations, grease traps, septic tanks and catch basins. Floats on the surface, to prevent grease build-up on walls. It creates an "odor blanket."

DL2622 05

Maxzyme Bacteria and Enzyme Waste Digester

Maintains flow in drains and grease traps and immediately goes to work and converts waste solids into a digestible food source for the bacteria.

**Available in Canada Only*

YL4810 05

High Performance Cleaners

Keynote Heavy-Duty Cleaner

Keynote heavy-duty cleaner packs plenty of power to completely remove the most difficult heavy soil accumulations. Keynote quickly penetrates and emulsifies heavy deposits of oil, grease, baked-on carbon and ink.

DL1080 05

Devine Carpet and Upholstery Spotter

The quick and easy way to remove dirt, oil, grease, soil, and other stains from carpets and upholstery. Devine is a powerful foaming spotter that lifts out stains instantly.

1504747

Corrosion Protection

Outlast Heavy-Duty Rubberized Coating

Rubberized heavy-duty protective coating seals out dirt, water and salt. Outlast is ideal to apply to leaky flashing, gutters, HVAC condensation pans, wheel wells and battery trays.

DA6802

Metalize One-Step Rust Converter

Converts old rust and helps protect against new rust, all in one easy step. Metalize cures to a tough black finish coat which can either be left alone or painted over.
