

Alkaline cleaners make up the 10 to 13 range of the pH scale.

Overview

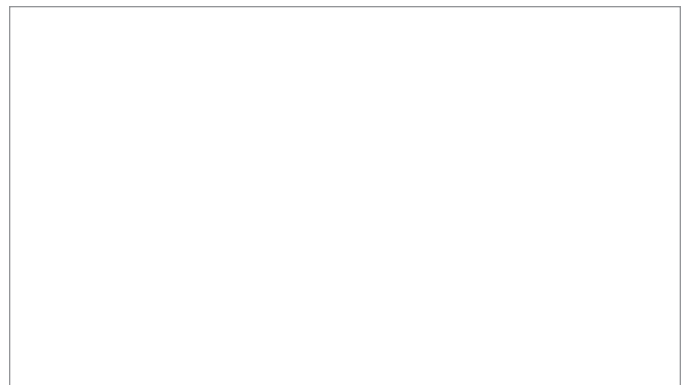

Alkaline cleaners are usually a blend of organic water-soluble solvents and surfactants. They are excellent at removing grease, oils, soils, grime, dirt, mud, inks, road film, tars and more.

Applications

Alkaline cleaners are great emulsifiers. They break down and hold the dirt in suspension, making it easy to clean and rinse away dirt, grease and oils from the surface.

- Glass cleaners
- Waxed floor cleaners
- Vehicle wash
- Dish detergents
- Bathroom cleaners
- Coil cleaners

Air Conditioning Coil and Fin Cleaners

Slash Big Blast Coil and Fin Cleaner

- Big blast spray cuts into oily dirt and grease
- Great to use on both the condenser and evaporative coils
- Leaves behind a strong citrus fragrance to deodorize the room

DRUMMOND™
A LAWSON PRODUCTS BRAND

Zep® A/C Coil Cleaner

- Suitable for indoor use
- Economical concentrated formulation
- Foam increases contact time
- Rinses easily

Not available in Canada

Sprayon™ CD™887 Coil and Fin Cleaner

- Foaming and penetrating cleaning action
- Removes chloride buildup
- Non-flammable and non-corrosive
- Safe on all types of metal

Environmentally-Friendly Products

Earth Harmony™ Cleaner/Degreaser Green Seal™ Certified High-pH Cleaner

- Earth Harmony™ concentrated degreaser is Green Seal™ certified and meets the stringent Green Seal™ GS-37 toxicity and environmental standards
- Earth Harmony™ concentrated degreaser quickly and safely breaks down and removes heavy deposits of grease, oil and dirt without the use of solvents or other dangerous ingredients
- Contains no known human toxicity, carcinogens or reproductive toxins
- Non-skin sensitizing, non-flammable, non-corrosive, low VOC content with biodegradable ingredients

DRUMMOND™
A LAWSON PRODUCTS BRAND

Third Power™ Environmentally-Friendly Cleaner and Degreaser

- Non-toxic Third Power™ easily cuts through stubborn dirt, grease and grime
- Unscented and toxin free – will not trigger allergic reactions, asthma attacks or migraine headaches
- Contains no hazardous reportable chemicals – free of carcinogens, teratogens and mutagens and not subject to SARA Title 313 requirements
- Biodegradable and contains no greenhouse gas compounds
- Will not harm waterways – phosphate free and contains no marine pollutants
- 99.17% VOC free – virtually no contribution to smog or ground level

DRUMMOND™

General-Purpose Cleaners

Breakthrough Steam Cleaner and Power Wash Concentrate

DRUMMOND™
A LAWSON PRODUCTS BRAND

- Has the strength to cut through layers of grease and grime fast – removes dirt, oil and road film
- Tough on dirt, but won't harm hard surfaces – safe to use on aluminum, glass and painted surfaces – non-toxic, non-flammable, non-corrosive and biodegradable
- Emulsion system suspends greasy dirt in solution – won't settle or leave a film on the surface before the job is finished

Clean Slate Whiteboard Cleaner Swipes

DRUMMOND™
A LAWSON PRODUCTS BRAND

- Combines cleaner and towel for easy application
- Removes marker shadowing and ghosting
- Prolongs whiteboard life

Not available in Canada

Keynote Heavy-Duty Cleaner

DRUMMOND™
A LAWSON PRODUCTS BRAND

- Non-flammable water-based degreaser which quickly removes tough grease and grime – safe to use on most surfaces to remove carbon, creosote, dyes, inks, mildew stains, oil, soot, wax and other difficult to remove soils
- Can be used on most metals, bricks, ceramic, chrome, concrete, enamel, plastic surfaces, iron, laminated, lacquered or painted surfaces, marble, plastic, rubber and stainless steel
- High dilution rate makes it an economical solution for most degreasing applications

Ogle Glass and Hard Surface Cleaner

DRUMMOND™
A LAWSON PRODUCTS BRAND

- Clean glass quickly, easily and completely – cleansing foam actually loosens and lifts off dirt, fingerprints, smoke film, greasy smudges and most other soils
- Wipes surfaces clean without streaking or leaving behind a hazy film
- Remove soils from stainless steel, chrome, tile, plastic, Plexiglas®, counters and tabletops

Whallop Industrial Foam Cleaner

DRUMMOND™
A LAWSON PRODUCTS BRAND

- Cuts through dirt, grease and oily grime
- Longer contact time for a better clean on vertical, irregular and mesh surfaces
- No rubbing or heavy scrubbing – just spray on and wipe off dirt
- Safe on fiberglass, mirror-finish stainless steel, brass, chrome and most washable surfaces – also safe on solvent-sensitive surfaces

Zep® Heavy-Duty Food Service Degreaser

- No phosphates or butyl solvents
- Use for manual cleaning, pressure washing or with foam-generating equipment for foam cleaning
- Excellent for floor cleaning
- Acceptable as a cleaner in federally-inspected meat and poultry plants
- Detergents used are biodegradable

Not available in Canada

General-Purpose Cleaners (cont.)

Zep® Freezer and Locker Cleaner

- Can be used as a floor and wall cleaner for sub-freezing temperatures in federally inspected meat and poultry plants
- Ready-to-use formulation does not require mixing
- All surfactants used in the products are biodegradable

Not available in Canada

Sprayon™ CD™ 880 General-Purpose Cleaner

- Works on all surfaces
- VOC compliant
- Removes spots on synthetic carpets
- Streak-proof formula

Zep® Heavy-Duty Alkaline Cleaner

- Powerful cleaner/degreaser with controlled foam
- Variable dilutions for wide variety of applications
- Economical choice
- Effective cleaner

Not available in Canada

Zep® Z-Verdant Concentrate

- Safe on most surfaces
- Economical, with a wide dilution range
- Effectively removes greases, oily marks, waxes and soil buildup

Not available in Canada

Zep® Z-Verdant RTU

- Contains no harsh solvents or chemicals
- Effectively removes greases, oily marks, waxes and soil buildup
- Safe on surfaces not harmed by water
- Ready-to-use – no mixing necessary

Not available in Canada

Zep® General-Purpose RTU Cleaner

- Versatile, all-purpose cleaner
- Industrial strength
- Comes ready to use
- Effective on wax buildup, black scuffs and more

Not available in Canada

General-Purpose Cleaners (cont.)

Vinylize Vinyl Cleaner and Restorer

- Deep cleaning action restores like-new appearance
- Foaming formula penetrates surface pores and clings to vertical surfaces
- Conditioning agents rejuvenate old and weathered vinyl and leather surfaces
- Protects against the damaging effects of sunlight, moisture and ozone

Husky® 804 General-Purpose Non-Acid Disinfectant Cleaner

- Kills VRE, MRSA and HIV-1
- Broad spectrum
- Cleans tough soils
- One-step cleaner/disinfectant
- High foaming
- Pleasant fresh fragrance
