

Universal Dressing - 1633820

A blend of high and low weight silicone designed to provide a high gloss finish with premium performance. Will also rejuvenate leather and vinyl with an invisible protective coating to keep it soft and flexible.

Directions and Dilutions

DIRECTIONS:

DO NOT USE ON GLASS, ELECTRONICS, OR FABRIC. NOT RECOMMENDED FOR SUEDE.

1. Surface must be clean and dry before use.
2. Apply liberally and evenly to surfaces with a clean soft cloth or sponge. Repeat as necessary.
3. Wipe off any excess dressing.

Weathered surfaces may require more than one application. Maintain that showroom finish with routine application of Pro Essentials Universal Dressing.
