

Glass Cleaner Concentrate - 1633823

Pro Essentials Glass Cleaner Concentrate is an ultra-concentrated formula -1:10 dilution. A single 5-gallon pail makes 50 gallons! The formula is ammonia free and is safe on tinted windows and able to easily cut through smoke and film. Wipes away fingerprints, oil, and grime with a streak-free finish.

FEATURES

- Ammonia free
- Streak-free finish
- Safe for tinted windows

Directions and Dilutions

DIRECTIONS:

Do not use full strength. This is a concentrated product. Failure to dilute properly may cause surface damage. Specifically formulated to be cut 1:10 with water. Work one wheel at a time!

1. Spray a fine mist onto a clean microfiber towel or applicator pad. Can also be applied directly to window.
2. Wipe clean and polish with a separate clean, dry cloth

DILUTIONS:

- 1:10

APPLICATIONS

- Windows
