### Parts Washing Powerhouse

## Parts Washer Solvent

Composed of a blend of quality, odorless solvents, this parts washing staple is safe to use on all metals. Leaves a light oil film on parts to protect against rust and corrosion.

#### Benefits:

- High quality blend of solvents
- Safe and effective for all metals
- Not a RCRA Hazardous Waste
- Light oil film helps protect parts from rust

#### Applications:

- Apartment building maintenance
- Automotive parts stores
- Automotive repair shops
- Building maintenance services
- Car & truck rental & leasing
- Industrial machinery manufactures
- Local transit authorities
- Motorcycle dealers
- New & used car dealers
- Service stations

#### Directions for Use:

Product is ready to use in various solvent-based parts washer systems. May be applied by spraying, wiping or dipping. Refer to instructions for use of unit before operating. Air dry, wipe dry or use high pressure air after cleaning or degreasing. No rinse is required.

Base Code: R198

### Companion Products:

#### Base Code

- Heavy-Duty Concrete and Masonry Floor Cleaner .....R033
- Aerosol Rust Preventer.....R228
- Fast Evaporating Solvent Degreaser .....R075
