Heel Mark Disappearing Act

Z-Tread Spray Buff Solution

How do you make black heel marks vanish? With this ready-to-use spray that keeps maintenance down and your floor's appearance up. It eliminates the need for frequent floor stripping and refinishing by quickly restoring gloss and repairing scratch and scuff marks. This economical solution is great for spot burnishing and daily maintenance on high gloss finishes.

Benefits:

- Makes deep heel marks and scratches disappear
- Restores gloss
- Eliminates frequent refinishing
- Convenient-to-use spray

Applications:

- Schools
- Restaurants
- Airports
- Anywhere where hard floors need rejuvenating

Directions for Use:

Sweep or dust-mop floors to remove dust and dirt. If heavily soiled, clean with Neutral Floor Cleaner. Use red spray-buffing pad on any low or high-speed rotary floor machine. Lightly spray a small area of floor. Machine-buff until dry and glossy. Proceed to new floor area and repeat operation. Carefully control amount of spray. Excessive material will load pads and reduce efficiency.

Base Code: R042
