Subject: Letter of Guaranty - Lawson Fluorescent Caution High Solids Paints 53386

Lawson Products, as the distributor of the above named product, guarantees this product meets regulatory guidelines in federally inspected food processing plants when used as directed below:

Category R2: Coatings for use on incidental food contact surfaces

This product is acceptable for use as a coating where there is no possibility of food contact (R2) such as floors, walls, and ceilings. The coating must be applied in a manner which prevents direct or indirect contamination of edible products. Before the food product may be placed in the area where the material is being used, the area should be sufficiently free of odor to prevent product contamination. As a safety precaution, smooth coatings should not be applied to walking or standing surfaces in processing areas. The final granting of authorization for the proposed use of such compounds is the responsibility of the Inspector-In-Charge of the official plant

This is a letter of continuing guaranty which is valid until revoked. Lawson Products, Inc. will supply any necessary documentation to support this Letter of Guarantee should it be requested by a regulatory agency.

Please refer to the product label and Safety Data Sheet (SDS) for product usage, any dilution instructions and safety information. Should you have any questions or need additional information, please contact the Regulatory Affairs Department at the number listed below.

Sincerely,

Heather Buck,

Sr. Director, Technical Services and Product Information Management
