

PROBLEM SOLVER

Many Customers Have Experienced The Following:

DRUMMOND™
A LAWSON PRODUCTS BRAND

PROBLEM:

Finding a strong, effective solvent that will not harm the environment

- Removing substances like oil, grease, dirt, ink and adhesive residue
- Many solvents contain toxic ingredients with harmful concentrated vapors
- Some solvents harm the environment and are restricted in certain areas
- Solvent vapors give off an offensive odor and could be carcinogenic
- Not always safe on the equipment being cleaned
- Removing residue without damaging paint

SOLUTION:

Drummond™ Quickpeel Organic Citrus Solvent

- Powerful, effective, heavy-duty organic citrus solvent
- Removes oil, grease, dirt, ink and adhesive residue
- Made with d-Limonene, a natural citrus solvent extracted from orange peels
- Safe and powerful
- Contains no petroleum solvents
- Safe on all metals, non-acidic, non-caustic and non-corrosive

Available in aerosol and liquid containers.

“Let me show you how it works”
