

## Amphenol Pins and Sockets – Gold-Plated NEW

- All Amphenol connectors use a common contact system
- Directly compatible/substitutable with Deutsch pin and socket systems
- For use in Amphenol AT or Deutsch DT Series connectors
- Gold-plated contacts are recommended for low-voltage applications (less than 5V), and provide improved conductivity and protection from oxidation

Connection Type	Contact Size	Wire Ga. (AWG)	Strip Length (Inches)	Item No.	Pkg. Qty.
Pin	16	20-16	0.250 - 0.312	<b>1553572</b>	100
Socket	16	20-16	0.250 - 0.312	<b>1553570</b>	100

## Amphenol Pins and Sockets – Nickel-Plated NEW

- All Amphenol connectors use a common contact system
- Directly compatible/substitutable with Deutsch pin and socket systems
- For use in Amphenol AT or Deutsch DT Series connectors

Connection Type	Contact Size	Wire Ga. (AWG)	Strip Length (Inches)	Item No.	Pkg. Qty.
Pin	16	14	0.250 - 0.312	<b>1553565</b>	10
Socket	16	14	0.250 - 0.312	<b>1553571</b>	10
Pin	16	20-16	0.250 - 0.312	<b>1553566</b>	10
Socket	16	20-16	0.250 - 0.312	<b>1553567</b>	10
