

## KH-60-P Crimper and Pumps NEW

The KH-60-P is KURT's portable variable crimper, capable of crimping up to 1-1/4" 6-wire hydraulic hose. The KH-60-P design allows maximum visibility when executing a crimp.

- Heavy-duty 60+ ton capacity
- Good crimp visibility
- Fully-adjustable crimp settings
- Interchangeable with Dayco® dies
- 1/8" to 1-1/4" 6-wire capability

Description	Item No.	Pkg. Qty.
KURT KH-60-P Portable Crimper Only	<b>1573756</b>	1
Handpump for KH-60-P Portable Crimper	<b>1573759</b>	1
Air/Hydraulic Pump for KH-60-P Portable Crimper	<b>1573767</b>	1

A full-body crimp is defined as 1/8" past the major diameter of the shell to the top of the crimp fingers.

## KH-60 Crimper with Electric Pump NEW

The KH-60 is KURT's bench-mount variable crimper, capable of crimping up to 1-1/4" 6-wire hydraulic hose. The KH-60 design includes a 120V, 1-Phase electric pump and an auto microswitch shut-off.

- Heavy-duty 60+ ton capacity
- Quick crimp cycle time
- Auto microswitch shut-off
- Good crimp visibility
- Fully-adjustable crimp settings
- Interchangeable with Dayco® dies
- 1/8" to 1-1/4" 6-wire capability
