

T-420 Crimper Starter Assortments

Lawson's T-420 Crimper Starter Assortments are turnkey solutions targeting customers looking for a crimper with added capacity. Available assortment options include: 2-wire braided hose starter kit, 4-wire spiral hose starter kit, or a combo kit for customers crimping both braided and spiral hose. Each kit includes a crimper, pump, applicable collets and spacer rings, hydraulic hose and fittings, and cabinetry. Create OEM-quality hydraulic hose assemblies with one of our Crimper Starter Assortment options. Check out our expansion modules for the T-420 to add additional sizes.

Starter Assortments include:

- T-420 Crimper
- 220v Electric Pump

Braided Assortments include:

- All necessary tooling to crimp -4, -6, and -8 size hose and fittings on the T-420 crimper
- One 50-foot roll each of -4, -6, and -8 2-wire braided hose
- 26 unique SKUs covering NPT, JIC and FFOR connection styles in Z Series
- A40 Bin and A1C11 3-hole compartment

Spiral Assortments include:

- All necessary tooling to crimp -12 and -16 size hose and fittings on the T-420 crimper
- One 50-foot roll each of -12 and -16 4-wire spiral hose
- 20 unique SKUs covering NPT, JIC, FFOR, and flanges

Combo Assortment includes:

- The contents from both H280 and H430 Series assortments

Crimper	Power Source	Eaton Line	Fitting Item and Piece Count	Fitting Series	Hose Construction	Hose Series	Item No.	Pkg. Qty.
T-420	220V	Diamond Advantage	26 items, 129 pieces	Z Series	Braided	H280	EP420Z280	1
	220V	Winner	26 items, 129 pieces	Z Series	Braided	EC215	EP420Z215	1
	220V	Diamond Advantage	20 items, 80 pieces	4S Series	Spiral	H430	EP420S430	1
	220V	Winner	20 items, 80 pieces	4S Series	Spiral	EC415	EP420S415	1
	220V	Diamond Advantage	46 items, 209 pieces	Z/4S Series	Braided and Spiral	H280/H430	EP420HD	1

CRIMPER STARTER ASSORTMENTS

T-420 Expansion Modules

The T-420 expansion modules build on the contents included in the T-420 Crimper Starter Assortments. The expansion modules include similar fitting configurations in additional hose sizes, a coil of hydraulic hose, any additional tooling necessary, and more cabinetry for the hose and fittings.

Braided Expansion Modules include:

- Necessary tooling to crimp the additional sizes in each module on the T-420 crimper
- One 50-foot roll of 2-wire braided hydraulic hose in the size and series chosen
- An assortment of the most popular sizes and configurations of NPT, JIC, and FFOR Z Series fittings for each size
- Storage solutions for hydraulic hose and fittings

Spiral Expansion Modules include:

- Necessary tooling to crimp the additional sizes in each module on the T-420
- One 50-foot roll of 4-wire spiral hydraulic hose in the size and series chosen
- An assortment of the most popular sizes and configurations of NPT, JIC, and FFOR 4S Series fittings for each size
- Storage solutions for hydraulic hose and fittings

Size	Eaton Line	Fitting and Item Piece Count	Fitting Series	Hose Construction	Hose Series	Item No.	Pkg. Qty.
-8	Diamond Advantage	10 items, 40 pieces	4S	Spiral	H430	T420MOD1	1
-20	Diamond Advantage	10 items, 40 pieces	4S	Spiral	H430	T420MOD2	1
-20	Winner	10 items, 40 pieces	4S	Spiral	EC415	T420MOD7	1
-10	Diamond Advantage	10 items, 40 pieces	Z Series	Braided	H280	T420MOD3	1
-12	Diamond Advantage	8 items, 32 pieces	Z Series	Braided	H280	T420MOD4	1
-16	Diamond Advantage	8 items, 32 pieces	Z Series	Braided	H280	T420MOD5	1
-10	Winner	10 items, 40 pieces	Z Series	Braided	EC215	T420MOD8	1
-12	Winner	8 items, 32 pieces	Z Series	Braided	EC215	T420MOD9	1
-16	Winner	8 items, 32 pieces	Z Series	Braided	EC215	T420MOD10	1
