

Universal Traction Mat with Adhesive Backing

- Universal mats absorb a wide variety of water- and oil-based liquid spills
- Absorbs water, oil, diesel, gas, coolants, cutting fluids, hydraulic fluids, vegetable oil, acetone, turpentine, etc.
- Bottom layer sticks to floors, counters and more using “Cling” technology while the top layer absorbs liquids
- The perfect solution for surfaces that may become wet
- Reusable – simply peel rug from floor and reposition
- Easy to use – roll out continuous walk-off coverage for entrances and walkways with no gaps, ripples or overlaps
- Durable top layer for trouble-free vacuuming, sweeping and mopping so the mat stays on the job longer
- Withstands heavy foot and vehicle traffic
- ADA-compliant for wheelchairs and walkers
