Removes Rust Without The Brush

Rust Remover

This concentrated acid product removes rust, tarnish, oxides, soil and heat scale. No wire-brushing or sand blasting needed. USDA applicable, A3.

Benefits:

- No acid fumes
- Inhibited to retard attack on iron and steel base metals
- Removes rust without wire-brushing or sandblasting
- Non-flammable and VOC compliant
- Retards flash rusting

Applications:

- Automotive repair shops
- Construction companies
- Marine applications & shipyards
- Pressure washing
- Welding services
- Concrete industry
- Farm industry
- Parts servicing
- Railroad construction

Directions for Use: Dilute 1 part product with 1 to 2 parts water. Apply to surface to be de-rusted by brush, wiping cloth, dipping, or sprayer. Allow to soak for 5 to 15 minutes. Reapply solution as necessary to keep surface wet. Brush lightly, if necessary, and rinse with water. Hot water is preferable because it rinses faster, promotes more rapid drying and helps retard flash rusting.

Base Code: R235

Companion Products:
