Restores Rust Damage

Rust Converter

This unique, ready-to-use, water-based liquid chemically converts existing rust and corrosion into a moisture-free, black protective coating. Resulting surfaces are then ready for painting or other treatments without additional priming. Non-flammable. USDA applicable, P1.

Benefits:

- Easy-to-use, one-step process
- Polymeric formula forms an oxidation-resistant coating
- Eliminates acidizing, sandblasting, grinding, and scraping
- Non-flammable water-based emulsion

Applications:

- Automobile repair shops
- Building contractors
- Construction
- Fabricated metal shops
- Industrial machinery manufacturers
- Manufacturing plants
- Marine products
- Municipalities
- Plumbing
- Railroads

Directions for Use: Thoroughly mix by stirring or shaking prior to use. Remove any dirt, oil, or grease from surface to be coated. If flaky rust or blistered paint is evident, wire-brush surface to remove. Apply liberally to surface with a brush, roller, or airless spray gun. After a few minutes, a black coating will begin to form over rusted areas. If the black coating is very uneven, a second coating should be applied to the surface. Do not return any unused product to original container. Product dries tack free in 15 to 30 minutes. Allow 24 hours drying time before applying top coat. Apply only at temperatures between 50°F and 100°F.

Base Code: R234

Specifications:

Physical Form	Slightly thick, water emulsion liquid
Odor	Sweetish
Color	Off-white, opaque
Specific Gravity	1.12
Flammability	Non-combustible
pH	1.5-2.5
Shelf Life	1 year minimum
D.O.T. Shipping Label	None

Packaging Information:

SKU	Package Quantity	Weight (lbs)	Length (")	Height (")	Width (")
R23424	4-1 gal/case	39	13.00	13.00	12.50

Safety:

Please make sure you have read and understand the product label and MSDS before using this product. MSDSs are available at www.zepprofessional.com. Avoid breathing vapors, spray or mists. Use only with adequate ventilation. Keep container closed. Wash thoroughly after handling. Wash contaminated clothing before reusing. Observe label precautions.
