Subject: Letter of Guaranty – Open & Shut Nut and Bolt Loosener and Rust Penetrant (DA6152)

To Whom It May Concern:

This letter certifies that Open & Shut is acceptable for use in inedible product processing areas, non-processing areas, and/or exterior areas of official establishments operating under the Federal meat, poultry, shelled egg grading, and egg products inspection programs provided that it is not used to mask odors resulting from unsanitary conditions, and that any characteristic odor or fragrance does not penetrate into an edible product area.

Permission to use Open & Shut on loading docks and other similar areas is left to the discretion of the Inspector(s) in charge of the establishment.

Should you have any questions or need additional information, please contact the Regulatory Affairs Department at the number listed below or at the e-mail address regulatoryaffairs@lawsonproducts.com.
